Investing in Facilities

Construction on the new Barnes & Noble Café at Farrell Commons will begin immediately after Commencement. The new café proudly serving Starbucks will open for business for the start of the fall 2019 semester.

Investing in People

CADI has shifted the hours of operation for fall 2019, the new hours include late night offerings aligned with the student's eating habits and uses CADI's dining venues more efficiently.

Human Resources

CADI negotiated a new comprehensive health benefit plan for employees. The new plan meets the health needs of our staff and keeps costs for both the individual and the Corporation affordable.

Telling Our Story

CADI collaborated with the Athletic Department and Student Leadership & Engagement to celebrate Blaze the Bronco's birthday and success in the SUNY Mascot Madness event.

CADI hosted the 15th annual Craft for a Cure event.

Student Potential

CADI will award 10-\$1,000 scholarships to student employees at the May 2 Board meeting. In addition, the William J. Harniman Scholarship is awarded at the same meeting with the recipient of the scholarship receiving \$2,500.

The Student Employment Excellence Development (SEED) team continues to work on examining best practices for student employment and career engagement. The workgroup aims to make recommendations to all the student employers across the campus to aid in student development and integrate career skills learning.
