Equipment shall include but not limited to the following: Fleet Vehicles, buildings, maintenance and grounds equipment, farm and technology equipment, scientific and medical equipment, culinary and athletic equipment. This includes equipment purchase through the Research Foundation. If proper procedure is not followed it unnecessarily complicates the yearly equipment audit.

It will be determined if the equipment meets the criteria for inclusion in the equipment inventory. If your new equipment has not been tagged with a SUNY decal within 30 days of receipt please contact Donna Ackerman x4025, or ackermde@delhi.edu.
