Executive Director of CADI, Delmar Crim: Hello, I am here to inform you all of the changes that have been made to the dining services on campus. I would like to meet with the student dining committee to further discuss the quality of the food service. Several changes have been made this semester. These changes include: Sushi in Farrell Hall, a partnership with Novelos (Bagels and Cream) for sandwiches, a continuation of the popular event Mac Madness on Sundays at 9:00 pm, Grab and Go salads and parfaits in Farrell Center. People have not been using all of their meals so food variety on campus has been created so students can get their money’s worth out of their meals. Straws have been removed from MacDonald Hall to support the Green Initiative.
