Vice President Romario Stewart called the meeting to order at 5:15 pm. Secretary Adam Matos took attendance. The following clubs were not in attendance: College Players.

Guest Speakers

Elizabeth Sova, Director of the O’Connor Center for Community Engagement came to speak about community service and engagement opportunities for both on and off campus. She thanked all those who have participated in community service this year so far. The quality of service has improved, congratulations to our student body.

Architecture Club has expressed interest in “Canstruction”. Elizabeth hopes to help raise money and encourage all clubs to participate. Canstruction begins in April, 2015, but efforts need to start now.

The Conference on Volunteerism is the morning after Halloween, and there is still lot of room. Transportation, breakfast, and lunch will be provided.

Students are encouraged to discuss service learning courses when they start meeting with advisors next week.

On October 22, the OCCE received a request from the Delhi Beautification Committee to have 12 students help them on Saturday, October 25 to clean planters in town to get ready for holiday decorations.

There are spaces left for Saturday’s Bread on December 6. OCCE will not provide transportation to this event.

Open Discussion

Computer Club: The TV lounge is beginning to get out of hand with litter. Director John Huber will follow-up with building managers and custodial staff to ensure that the area is properly monitored and maintained.

Rachelle Cassatt: Who enforces the smoking policy? We all do. Any student can pass on the rules and codes of campus conduct to their fellow students. Students that hold a paraprofessional role (RA, building manager, fitness center employee, etc.) can ask for an 800 number and pass that on to their supervisor for any student that is non-compliant.

WDTU: There are small conversations going on. They are both rude and distracting. Others cannot hear what is being said. Senators are encouraged to keep chatter to a minimum and we all look forward to the demonstration of a potential microphone system in Farrell Center 211 A&B.

Advisor

Director of Student Activities, John Huber, explained that fundraising has become more common during this time of the semester. If you are selling a product or service through your club allocated budget and giving money as a donation (i.e. net profits), the amount spent on raw goods and preparation for the project needs to go back into the Senate account. For example, if a bake sale brought in $150 and a club spent $50 in flour, sugar, and other supplies, only $100 could be donated to charity and $50 would have to go back into the originating account. Money allocated from Student Activity Fees cannot be given as a charitable gift. Any questions with this policy can be addressed with John Huber, Karen Detert, or Wanda Jones.

Bachelor’s and Associate’s Student of the Year Award is being given out in the fall and spring semesters. The application will be available on Monday, October 27 in the Student Activities Office.

Finally, any goldenrod redemption tickets for the EDM concert should be brought to the Student Activities Office for redemption ASAP.

Adjournment

Meeting adjourned at 5:52 pm.
