Student Senate Minutes
SUNY Delhi
Delhi NY, 13753

October 8, 2014

Vice President Romario Stewart called the meeting to order at 5:18 pm. Secretary Adam Matos took attendance. The following clubs were not in attendance: Psychology Club, Paint Ball Club, and College Players.

Guest Speaker

President Candace Vancko met with us to discuss furniture options between our current set-up and that which has been previously been placed in Farrell Center, Rooms 211 A&B. The previous set-up seems like it makes the most sense for Student Senate, so it will be brought up from Bush Hall, Room 18. She answered questions based around the improvements and renovations SUNY Delhi has already undergone. A Farnsworth Hall renovation project is planned; this will include new and up-to-date equipment. Delhi has received a grant that has been used to fund the Golf Course irrigation system. She further stated no new student housing is currently planned and in the event that new housing is necessary, it would be similar to the Riverview Townhouses; off campus. Also, the rumor that Catskill Hall is falling down the hill is not true. Kitchens will be added to all of the residence halls. Russell Hall is scheduled to receive a kitchen this summer, followed by Gerry Hall and DuBois Hall.

New Business

2014F-001: Vice President Romario Stewart motioned to de-recognize Psychology Club. The motion was seconded, and discussion was brought forth about their lack of participation during the
2014-15 academic year. The motion was then tabled to give Senators an opportunity to discuss with their clubs.

2014F-002: Vice President Romario Stewart motioned to de-recognize Paint Ball Club. The motion was seconded, and discussion was brought forth about their lack of participation during the 2014-15 academic year. The motion was then tabled to give Senators an opportunity to discuss with their clubs.

Open Discussion

The issue of vandalism on campus has been addressed. Greek banners have been tampered with. UPD is looking in to the issue in collaboration with Residence Life and Student Activities. Changing the location of the banners is also a work in progress. The possibility of hanging them in indoor locations instead of outside was proposed and the issue was deferred back to the Greek Council.

Advisor

Director of Student Activities, John Huber, says the APCA conference was great! Ronny Jordan is coming to Delhi as the final comedy show of the semester. We’re looking forward to the spring and fall concerts. If enough people are interested in voting in the Delaware County election (i.e. registered to vote in Delaware County, not voting absentee), transportation to the vote can be arranged. For those who have not submitted club roster forms, please send them in ASAP. We may be getting a new microphone system in for Student Senate. It would make the meetings go much more smoothly and easier. Hopefully, we can test a system during our October 22 meeting.

Adjournment

Meeting adjourned at 6:30 pm.
